GOES ABOVE STATE LICENSING STANDARDS

The center is recognized for providing quality above state licensing requirements.

- ★ By participating in this voluntary program the center has demonstrated a commitment to providing quality early care and education experiences and is actively taking steps to achieve the next level.
- ★ A provider participating in the **Look for the Stars** program:
 - ★ Understands that learning begins at birth.
 - ★ Offers a safe environment that encourages children's learning.
 - ★ Understands the importance of a developmentally appropriate curriculum.
 - ★ Meets basic state legislated mandates for early care and education.
 - ★ Working toward the goals of quality care, pursuing program improvement efforts and providing professional development for teachers.

Super Kids + Super Care = Star-Bright Futures
